Your Comments About the Staff Report, Including Recommendations Supported or
Opposed:

I agree with the sunset commission that the Texas Board of Professional Geoscientists should be abolished. In my professional opinion, it serves no purpose and provides no benefit to the practice of geology in Texas.

My license number was 369 but I have let it expire as I saw no purpose in continuing to pay the annual fees.

Any Alternative or New Recommendations on This Agency: Let the TNRCC and the RRC handle any disciplinary actions that are required.
