Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I strongly support removal of the Facility Renewal Fee's.

I strongly support the recommendation to remove TPTA as the overseers of CEU's.

Any Alternative or New Recommendations on This Agency: My wife is a PT and was disciplined because 4 of her total hours of CEU's were not approved by the board. It was a course that taught the use of a program that helped with gait, motor skills, head injury ect. She paid her fine, took another course and completed her community hours. The disciplinary action will forever remain attached to her license. Every time she becomes a new insurance provider she has to provide an explanation for the discipline that happened 6 years ago. There should be a time limit that disciplinary actions are attached to the license when the "crime" was not causing harm to public. In this case the punishment is excessive and never ending.

My Comment Will Be Made Public: I agree
