Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I strongly oppose to the recommendation on the Ports of Entry. We need them there, they provide public safety. They do an outstanding job by keeping away alcohol that can be tampered with coming in from Mexico. They also only allow certain bottles a month and certain beer of what people can cross back. It will hurt the beer industry if they were not there. They also collect taxes that are very very useful for the government, schools, roads etc. etc. The people of Texas need those officers there.

Any Alternative or New Recommendations on This Agency: Tabc good public safety

My Comment Will Be Made Public: I agree
