Your Comments About the Staff Report, Including Recommendations Supported or Opposed: TCA Talking Points - I support the creation of a Behavioral Health Executive Council to house all four behavioral health regulatory boards.

Any Alternative or New Recommendations on This Agency: I would recommend expanding the BHEC to include a professional member from each of the four boards as a voting member. Having professional representation on the BHEC will strengthen the composition by providing expertise and consistency in standards across the boards.

My Comment Will Be Made Public: I agree
