Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Thank you for your review of the MFT, LPC and SWK boards. Mental health provider boards need to remain separate in order to ensure quality providers are serving the public. I strongly oppose moving the boards to TDLR. It is imperative that change be made so that the boards run more efficiently, however, moving the boards to TDLR will not be beneficial to the licensees or the public.

Any Alternative or New Recommendations on This Agency: Increase in staff and funding for the independent boards will help them to run more smoothly.

My Comment Will Be Made Public: I agree
