Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I OPPOSE the recommendation to do away with the cosmetology instructors license. The information I learned in my student instructor program was so vital to shaping me as an instructor. As an instructor who now oversees student instructors, I can tell you, not every cosmetologist is cut out for or ready to be an instructor without formal training. Please stop threatening my livelihood every year!

Any Alternative or New Recommendations on This Agency: KEEP THE INSTRUCTORS LICENSE!
