Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I am in support of the recommendation to create the Behavioral Health Executive Council to house all four behavioral health regulatory agencies and to expand the composition of BHEC to include professional representation from each board as voting members.

I am grateful to see that discussion and hopefully speedy action will be taken to allow for a flow of licenses to come forth for the livelihood of mental health professionals in Texas and the well-being of our people.

Any Alternative or New Recommendations on This Agency: No.
