Your Comments About the Staff Report, Including Recommendations Supported or Opposed: We must leave the puppy mill regulations in place so many animals in Texas are being abused and neglected as it is. Removing laws will only make the animals suffer.

Any Alternative or New Recommendations on This Agency: We need tougher animal Cruelty laws in the state of Texas. People are hoarding animals and letting them live in horrible conditions. People abandon animals all the time. These types of activities need to be against the law and people need to be prosecuted for it.
