Subject: Public Input Form for Agencies Under Review (Public/After Publication)

Agency: TEXAS MEDICAL BOARD

First Name: Jonathan

Last Name: Vela

Title: LMRT

Organization you are affiliated with: CHCP

Email:

City: austin

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I'm opposed to abolish the limited medical radiologic technologist certification. LMRT's have a minimum of 1500 hours. NCT's only have 120 hours of training. It isn't possible to learn the same amount of information in that time. NCT's would not have adequate training in patient care and radiation safety.

Any Alternative or New Recommendations on This Agency: I recommend keeping the LMRT certification program, getting rid of the NCT program and have one comprehensive exam that would be pass or fail.

My Comment Will Be Made Public: I agree
