City: Baytown

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Puppy mills are horrible on dogs. By continuing the licensing program, the State can at least attempt to monitor breeders and make sure the animals are safe. Texas already has an overpopulation of stray dogs as it.

Any Alternative or New Recommendations on This Agency: My alternative would be to ban puppy mills all together until Texas can get its stray population under control.

My Comment Will Be Made Public: I agree
