Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I have been a physical therapist in San Angelo, Texas for nearly 34 years. My comments represent only me as a physical therapy professional. I support the Sunset Commission's recommendation that the Texas Board of Physical Therapy Examiners (TBPTE) join the National Licensure Compact. This arrangement would allow for ease of reciprocity of PT's and PTA's licensure across state lines without have to go through individual state-based impediments. I oppose the recommendation to remove the Continuing Competence Approval Program (CCAP) away from the Texas Physical Therapy Association (TPTA) and TBPTE. The current CCAP process has served the Texas public well ensuring Texas Physical Therapy continuing education courses meet a high standard.

Any Alternative or New Recommendations on This Agency: N/A
