Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose the classification of professional appointees on the BHEC as ex officio members. The idea of the creation of the council itself is a good idea, however, it seems nonsensical to create such a council and not allow full input along with ability to vote by the professions who do this work day in and day out with the population.

Any Alternative or New Recommendations on This Agency: The BHEC should be made up of nine voting members – one public and one professional from each of the four boards, with a final public member appointed by the Governor. In my opinion, to do as is currently proposed this would be a disservice to the clients these professions serve.

My Comment Will Be Made Public: I agree
