Your Comments About the Staff Report, Including Recommendations Supported or  
Opposed: Fully support every aspect of the report. The Plumbing Board should be put under the TDLR with all new  
members.

Any Alternative or New Recommendations on This Agency: Reduce the amount of years to take the master exam.  
Remove the C.E. course providers monopoly on exam training and do not give exemption for the United States  
Department of Labor Office of Apprenticeship, 4 years work experience is all that is needed.

My Comment Will Be Made Public: I agree
