Agency: UNIVERSITY INTERSCHOLASTIC LEAGUE UIL

Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

The UIL is an integral component of the state's public education system.

Since inception, the League has provided a means for students across the state to participate in competitive events in academics, athletics and fine arts. Student participation is encouraged, and hard work, self-discipline and teamwork are emphasized as life skills. Both students and staff benefit tremendously from participation in UIL.

I strongly disagree with one of the "New Issues" recommendations to establish term limits for the UIL Executive Director. The continuity in leadership has been instrumental in providing strong and stable leadership and direction to schools across the state.

Any Alternative or New Recommendations on This Agency: Do not establish terms limits for the UIL Executive Director.

My Comment Will Be Made Public: I agree
