Your Comments About the Staff Report, Including Recommendations Supported or Opposed: PLEASE preserve the Texas Licensed Breeders Program. There are SO many cases of animal cruelty due to bad and ignorant breeders. This legislation is vital to the humane treatment of animals. When you know better you do better. Let's do better. The animals deserve this and so much more.

Any Alternative or New Recommendations on This Agency: The Program keeps breeders in check and without the Program, there would be many more costly large-scale seizures burdening taxpayers and non-profits alike.

My Comment Will Be Made Public: I agree
