Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I support all seven recommendations made by TASP to TSBEP/Sunset Commission to improve TSBEP's purpose and the role of the LSSP in Texas. The role of the LSSP needs to be more accessible and understood. I feel that the follow through of these proposed solutions will give our communities greater access and understanding of our professional services.

Any Alternative or New Recommendations on This Agency: No other recommendations at this time.
