Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Your state and many others do not need puppy mills. The dogs live in filthy conditions and they get very little, if any, attention. These animals are treated as a commodity and their only purpose is to make money for the breeder. Shelters are overflowing with dogs who desperately need loving homes. Please urge people to adopt a shelter animal and save a life.

Any Alternative or New Recommendations on This Agency: No
