Your Comments About the Staff Report, Including Recommendations Supported or Opposed: "I Oppose non-Veterans as serving as County Veterans Service Officers", as a 24 yr veteran I understand what veterans go through went trying to accomplish day-to-day activities with folks that have never served a day in their life in any branch of service. So, there's no empathy or understanding of what a veteran has been through while serving or after serving our country. Only veterans that have served honorably and received an honorable discharge or retired under honorable conditions should be considered or hold these positions of County Veterans Service Officers.

Any Alternative or New Recommendations on This Agency: "Oppose non-Veterans as serving as County Veterans Service Officers"
