Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Totally and completely opposed to elimination of an Instructor's license to teach cosmetology. Are you guys out of your minds?! What's the world coming to? Are we going to eliminate teachers in public schools and colleges next? Are our kids going to teach themselves? We need some serious reflection people.

Any Alternative or New Recommendations on This Agency: Quit making changes to an agency that is profitable and that overs sees our industry in a reputable manner. Find something else that's broken to fix!
