Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

First, I am an advocate to stop the sales of puppy mill dogs in New York. I am a New York rescuer. This should be a ban in all states. And Texas has the worst reputation for the amount of animals roaming the street's to add Puppy Mills animal to that problem is not only horrible for animals it is horrible for the people seeing this injustice. New York is seeing pictures that are horrible. The stores and the mills are only making money of the breeds they pretend to care for. The animals they breed never get vetting and never feel any love for humans, they are kept in disgusting conditions. Their sole job is to make litter after litter. The people protecting this practice are just as much to blame as the people doing this.

Any Alternative or New Recommendations on This Agency: Stop the sales
