Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Although I would like to see faster response times and at least a second location for testing, I must say that the Texas State Board of Plumbing Examiners (tsbpe) has done a fantastic job in enforcing the plumbing license law, and regulating plumbing in the great state of Texas. I vote to keep them in play.

Any Alternative or New Recommendations on This Agency: I would like to see a second location for testing, it's an expensive trip for an apprentice to make from the panhandle of Texas.

My Comment Will Be Made Public: I agree
