Your Comments About the Staff Report, Including Recommendations Supported or Opposed: One of the main reasons I decided to be a plumber is because it required me to obtain a license. To have a sense of accomplishment and you want to do away with that. Not just anyone should be able to become a plumber. At least not without working hard for it, because if you install plumbing wrong it can lead to significant issues.

Any Alternative or New Recommendations on This Agency: Leave TSBPE the way it is.
