Your Comments About the Staff Report, Including Recommendations Supported or  
Opposed:

I am a member of NASW. I support the creation of the BHEC through the transformation of the psychology board. I oppose the classification of professional appointees on the BHEC as ex officio members. The TSBSWE is not operating efficiently & effectively under HHSC. Each board must remain independent under the BHEC. The TSBSWE must have more money to operate effectively.

Any Alternative or New Recommendations on This Agency: The BHEC should be made up of nine voting members – one public and one professional from each of the four boards, with a final public member appointed by the Governor.
