Your Comments About the Staff Report, Including Recommendations Supported or  
Opposed:

As a practicing Texas Registered Professional Land Surveyor, I believe that our current board make-up of professional surveyors and members of the public is the best and fair way to regulate and protect the public.

I oppose the combination of the Texas Board of Professional Land Surveyors and the Texas Board of Professional Engineers as they are both very unique professions and require regulation that a combined board will not provide.

Any Alternative or New Recommendations on This Agency: I recommend that the Texas Board of Professional Land Surveyors remain an independent agency.
