Your Comments About the Staff Report, Including Recommendations Supported or Opposed: My licensing analyst required me to submit documentation to the Texas Medical Board from over 7 years ago. I advised the license analyst that based on the Laws and Rules set for by the Texas Medical Board I did not have to submit these documents unless the incident was within 5 years. My analyst told me her supervisor wanted to get more clarification regarding the matter. I feel that the Texas Medical Board staff is operating under their own rules and not the polices and procedures in place.

Any Alternative or New Recommendations on This Agency: I recommend the Texas Medical Board staff including mangers and board members should be utilizing the Laws and Rules in place. I have lost job opportunities due to the Texas Medical Board negligence. I am still currently awaiting a review and a medical license.
