Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Opposed: The Texas State Board of Plumbing Examiners is in place to insure that the individuals that install and repair plumbing in the state of Texas are properly trained and qualified to accomplish the job. This work takes years of training and experience with oversight from highly qualified supervision to learn properly. One mistake can cost far more than dollars, it can cost lives. Weakening the experience, education and practical exam requirements in any way is a very real danger to the health and safety of the citizens of Texas. It is vital that we protect the quality and integrity of our water supply and keep it free from contamination.

Any Alternative or New Recommendations on This Agency: Please protect the Public Health and safety of all Texans by allowing the Texas State Board of Plumbing Examiners to continue it's standard of excellence for this profession.
