Thank you for the opportunity to provide comment on your draft report. Overall we agree with the recommendations and would go so far to suggest that they integrate further with us on the employment and support services aspects of their mission.

The service members transitioning out of the service today have access to a broad range of services from many agencies. With Fort Bliss being such a major component of this community, El Paso has a long list of agencies that serve the military population. TVC should not only be visible or actively engaged, but rather act upon the opportunity they have to lead and serve as a convener and hub for employers and veteran job seekers.

As Workforce Boards across the state and the country challenge themselves with providing services outside of the traditional brick and mortar job centers, the TVC must do the same. By collaborating together, not just co-locating, both agencies can better serve the veteran population with access to in-demand job opportunities.

Dear Recipient:

The Sunset Staff Report on the Texas Veterans Commission, as submitted to the Sunset Advisory Commission, is available for your review on our website, www.sunset.texas.gov. To request a hard copy of this report, contact our office. The Sunset Commission has scheduled a public hearing on this report for April 25 and 26, 2018. At that time public testimony will be taken. An agenda specifying the meeting time, location, and the order of agencies scheduled for discussion will be available on our website as soon as the meeting has been posted. You may follow announcements by the Sunset Commission on social media through information posted on our website.

If you would like to comment on this report, the commission would appreciate hearing from you. Your feedback would be most helpful if it includes the following elements:

- Your position in support or opposition for each recommendation in the staff report
- A clear, brief statement of suggested changes, if any, to these recommendations
- A clear, concise summary of any new issues or recommendations not included in the report that you would like the Sunset Commission to consider

If you submit your response by April 11, we can provide this information to the Sunset Commission members before the public hearing. Comments received in response to a staff report are considered public records, and will be posted on the Sunset website and released to the public upon request.

Thank you for your assistance with the Sunset review process.
