Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

My name is Rebecca Windle and I am a first year student of physical therapy at Texas Women's University in Dallas, TX. I am representing myself as a Physical Therapy professional.

It has come to my attention that some very important aspects of my future as a practicing professional, are under review, which makes it urgent for me to share my opinion on a few points.

I SUPPORT the notion that the Texas Board of Physical Therapy Examiners should join the national Licensure Compact, which I believe is the Sunset Commission's recommendation. This would allow for reciprocity of licensure across state lines and allow me, as a highly educated, future doctor of physical therapy, move across state lines in my practice, without obstacles.

I OPPOSE the recommendation to take the CCAP from the TPTA and the TBPTE. The CCAP insures that there is public protection which is the reason the TBPTE exists.

Any Alternative or New Recommendations on This Agency: none
