Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I support the Sunset Staff recommendation to abolish the Texas Kennel/Breeder program. HSUS/PETA/ASPCA are rapidly and easily gaining control of politicians and government officials to restrict the rights of pet owners and breeders.

Any Alternative or New Recommendations on This Agency: I recommend a panel of five Veterinarians who regularly deal with large and small animals evaluate (using clear, informative photos) citizen complaints of kennels before ANY inspections are performed by at least two licensed Veterinarians with no financial or political connection to the facility. HSUS/PETA/ASPCA recruit emotional, radical unjustified persecution of innocent animal owners.

My Comment Will Be Made Public: I agree
