Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I am afraid one professional member from each Board may not be sufficient enough. Current administrative work for processing LPC related paperwork (applications or site changes) already takes too long time, averaging 2 months to 3 1/2 months from my own experience and what I hear from others.

Any Alternative or New Recommendations on This Agency: Licensed Professional Counselor is a growing profession. We need more professional members with knowledge on BHEC structure to represent LPC's and to accommodate the demands of the workload.
