Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

Please help prevent a serious oversight. In regards to the recommendation that TSBEP develop proposed definitions of the practice of psychology and the revised version of Sec. 501.003. (the Psychologists' Licensing Act and the practice of psychology); Licensed Specialists in School Psychology (LSSPs) have been overlooked and left out.

Any Alternative or New Recommendations on This Agency: Please support and ensure the addition of Licensed Specialist in School Psychology (LSSP) to the language in the act (revised version of Sec. 501.003) as to whom can provide psychological services, specifically in the school setting, in Texas.
