Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I support the creation of the BHEC through the transformation of the psychology board. I opposed the classification of the nine professional members as ex-officio members of the board. The Texas Board of Social Workers Examiners must have more money to operate efficiently. Each board should remain independent under HHSC. The TBSWE is not operating effectively or efficiently under HHSC.

Any Alternative or New Recommendations on This Agency: The BHEC should be made up of nine voting members – one public and one professional from each of the four boards, with a final public member appointed by the Governor.
