Your Comments About the Staff Report, Including Recommendations Supported or Opposed: We need to do everything we can to help domestic animals. We need to have legislation that would make having a dog in the bed of a truck illegal as they often jump out. In addition, we need to have legislation that would make throwing pets on the highway a \$2, 500 fine.

Any Alternative or New Recommendations on This Agency: I think we need to look at a humane way to care for our pet population.
