Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I am opposed to the following staff recommendations:

4.6 eliminate the minimum fees driving course providers must charge consumers

- the \$25 minimum charge keeps us in line with online competitors, I have a lot of students who are limited English speakers or don't have a computer and need in class instruction.

4.14 direct TDLR to list on its website only licensed instructors and providers, not the specific course they offer - it is hard enough to find courses for defensive driving classes without the TDLR website, their website is easy to find approved defensive driving classes.

Any Alternative or New Recommendations on This Agency: This Agency should only be getting input about changes from its industry advisory board.
