Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I agree that DADS has failed to regulate violations in Nursing Homes. The elderly need quality of care to be provided by well trained staff. Turn-overs are significant in Nursing Homes.

Any Alternative or New Recommendations on This Agency: I think that all Regulators must be fully trained and go into these Nursing Homes prepared to do their job and identify violations and follow through with disciplinary action as needed. Staff should be certified and/or licensed before they are hired to care for our Elderly.

My Comment Will Be Made Public: I agree
