Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

Issue1 I'm for closing the 6 SSLC. I just hope the legislation does what they have to to build community but when we spend 661.9 million on these money pits the community always has been shut out and services are cut. With 140,000 on the interest list waiting for any services. They do not want to put there children in the SSLC they want to keep them in the community. My son has only been hurt in the institutions and has lived in a HCS group home for 12 years and is very happy.

Any Alternative or New Recommendations on This Agency:

I think for DADS to have regulatory under their own agency is not good. Thats like the fox guarding the hen house. I think we need a outside agency that has not ties to any agency to do this. I think this be the best idea for everyone.

My Comment Will Be Made Public: I agree
