Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I plea that the Abilene SSLC remain open. Deborah is a happy little lady since she was moved there in 2013. Actions speak louder than words as she can not talk, but she laughs all time now. She never laughed for me while she was at Mexia SSLC. Deborah needs the 24/7 care she gets in her home now. I feel sure that a group home can not give her this care. She does not do anything toward taking care of herself. She has seisures and often needs hospital care and they have an infirmery there. May God Bless each one of you for your most needed help in keeping the Abilene SSLC open....Thank you, a very concerned mother..
