Dear Sunset Commission Members,

My brother is 73 years old and is currently living at Abilene S.S.L.C. He was moved from Mexia State School in 1973 in order to be closer to family. For 41 years he has been happy and well cared for at Abilene S.S.L.C. He considers it his home.

In that SAFE setting he is able to enjoy many activities which he could not in a community home, including working in the workshop, attending dances and "Senior Nights", swimming, singing in the choir and playing in the bell choir.

Please compassionately consider the needs of so many individuals who cannot function in society and who would have a MUCH more limited life in a community home. Please keep the S.S.L.C.s open.

Sincerely,

Doris Hoffman
