Agency: DEPARTMENT AGING AND DISABILITY SERVICES DADS

First Name: Theresa

Last Name: Jud

Title: Ms

Organization you are affiliated with: Denton State Supported Living Center

City: Dallas

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am against the closing of the DSSLC. My daughter has been there for several years and has received the best of care. She was previously in 4 different community homes and was severely abused at all of them. She has anger management issues and staff at community homes are not trained to deal with them. I would like for her to remain at DSSLC where she is close to me.

As I get older I will be unable to drive long distances to visit her weekly as I do now. State supported living centers are necessary for certain populations. When I visit my daughter I see others who could not survive outside of state schools and the care they receive there. I am asking that you not close state schools.

Any Alternative or New Recommendations on This Agency: Keep DSSLC and other state schools open. Certain populations will not survive without the care they receive there.

My Comment Will Be Made Public: I agree
