Your Comments About the Staff Report, Including Recommendations Supported or

Opposed: We are opposed to any closures of State Supported Living Centers.

We believe this environment is the best setting for our love ones. We as Parents and Legal Guardians grow weary of the ongoing discussion of closures of our SSLC. Our love ones should not be treated in this maner nor should the workers at SSLS.

Any Alternative or New Recommendations on This Agency: We would hope that you would consider building new facilities most SSLC has space to accomidate new buildings these our individuals deserve Texas best not these recommendations.

We do believe the beau racy is to distance from the people it serves . We hope that all of our elected politicians would tour the HOMES of our love ones and see who they call their FAMILY from the clients they have shared a room with to their Doctor , Nurses, Dentist, Social worker, Qmrp , Direct Care Staff, Therapist and many more work to make LIFE better for our love ones.

My Comment Will Be Made Public: I agree
