Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am a friend of the Sheldon Waynick family. He has been in Abilene Texas SSLC since 1976. It is heartbreaking to imagine these special residents, being moved to another home, other than the one they have known for so many years! They face so many challenges already, why tear them away from familiar surroundings and caregivers ?

Any Alternative or New Recommendations on This Agency:

Please allow the Abilene SSLC to remain in operation for the benefit of the long time residents and their families.

Respectfully,  
Kathy Kimmel
