Last Name: knowles

Title: Guardian of Asby Knowles Brother

Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I'm writing concerning my brother Asby Knowles who as been in living in Austin State school for 22 yrs, after living 28 yrs at Travis state school. He is currently living at Woodhollow unit 787 with several other gentlemen who have been his friends for many years and have no family. We do not think you should close any of these schools. We realize this is prime real estate in Austin, and we have seen the signs advertizing a planned living residents for this property. we know its about the money you could recieve by selling this property. We don't think the money should come before welfare of the people living in these facilities and the staff who will lose their jobs.

Any Alternative or New Recommendations on This Agency: We recommend that you do not close the facility in Austin.
