Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I strongly support the Sunset Commission's recommendation to close 6 of the 13 State Supported Living Centers.

Any Alternative or New Recommendations on This Agency: The benefits must be more evenly distributed amongst those in need. Those who are acute should be given priority, especially those who need nursing care. However, there are many of us who have a 10 year wait who would only need 10 hours a week.

The system is broken as I survey those who are getting services and those who are not. I fully support families being able to hire those whom they choose.

My Comment Will Be Made Public: I agree
