Subject: School closings in Texas

My name is Judy Martin. My daughter resides at the Lubbock SSLC and is 51 years old. She has been a Lubbock resident since 1989. Teresa is happy and healthy and we have a confident feeling that she is well taken care of. It is our desire that she continue to be a resident of the Lubbock facility.

Teresa has lots of medical issues and does not speak. Her facial expressions tell us that things are good.

Please consider all alternatives before closing any state school, especially Lubbock.

Thank you
