Your Comments About the Staff Report, Including Recommendations Supported or Opposed: The proposed closing of the State living center in Abilene, TX would pose a severe hardship for my brother, Travis McCraw. Travis has lived at the center for most of his adult life and he is now in his 60's. Our parents are deceased and I am working full-time in my 60's. His other two sisters are older than me. The Abilene state living center is all Travis has ever known. He is incapable of living in a group home in the community because his disability is far too extreme.

Any Alternative or New Recommendations on This Agency: Please keep the State living center in Abilene, TX open!
