Agency: DEPARTMENT AGING AND DISABILITY SERVICES DADS

First Name: James

Last Name: Meadours

Title:

Organization you are affiliated with:

City: San Antonio

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am in favor too down size state support living center because. You breaking they CMS rules too kept those places. I notice a lot people who having same disabilities like me in community living not dump people but doing PCP. Personal Center Planning also some may want get job in community this we need developmental stronger support employment program. I using too living in ICFIDD in Oklahoma I living there 5 years plus thought high school and during my time group home I using work workshop program for 7 years I was only making 50 cents hours. Plus we more people living at State Support Living Center then any other state of union. I felt disappointed that Senate Nelson did DADS last again each year DADS always they last thing in Agenda. I as question do you want too living there. Too be in our shoes for one week stay at State Support Living Center. I using to leave 12 other people plus staff. How you feel if you in nude they staff walking in room. I did not like it because female staff walking in even male staff. This past 5 years that Alabama close there State Support living who is poor state but each person making it in community. In Texas we dual system State Support Living Center we can not do both services. I think you near CMS saying each person belong in community. At Same time we need teach person choice to hearing what self advocacy is.

Any Alternative or New Recommendations on This Agency: I felt close 6 this time around in 2020 close they rest down.
