Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am extremely concerned and oppose the Abilene State Supported Living Center from closing in the Abilene, TX. area. I also oppose any state facility which houses medically fragile children or adults from closing!! These children and adults do not have a voice and we are their voice. Please speak out against any of them closing!

Any Alternative or New Recommendations on This Agency: I recommend that they review this and do not close any of these facilities.

My Comment Will Be Made Public: I agree
