Agency: DEPARTMENT AGING AND DISABILITY SERVICES DADS

First Name: JoAnn

Last Name: Nutt

Title:

Organization you are affiliated with: parent of handicapped child

City: Abilene

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please keep the Abilene State Supported Living Center open as they care for a large number of individuals with medical problems along with their intellectual needs. These Texas citizens cannot be adequately served in the private sector.

Any Alternative or New Recommendations on This Agency: Yes, increase the support for the medically fragile at Abilene State Supported Living Center.

If you must close a facility, consider adding that population to this local site. I feel sure that there are a number of other individuals with increased medical needs, along with developmental problems that could be sent here if some other place closes.

My Comment Will Be Made Public: I agree
