Your Comments About the Staff Report, Including Recommendations Supported or Opposed: i dont know the full details or extent of the argument, but the Abilene SSLC is absolutely crucial to abilene! as such a large employer of nurses and other medical staff, it is an essential part of the abilene economy. the many people i know who work there are enriched every single day they get to work with the wonderful residents. i shudder to think what would become of the residents there if the facility closed.

Any Alternative or New Recommendations on This Agency: im not going to pretend to have a solution.

My Comment Will Be Made Public: I agree
