Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I am writing in support of the Abilene State Supported Living Center. The Living Center is one of the cities largest employers with 1340 workers(one happens to be my daughter). I also have other friends who work there and they are all dedicated to their clients. Many of the clients have no other place to go.

Please take into consideration the Abilene State Supported Living Center serves 18 counties.

I have had the privilege of volunteering with my church group during Christmas to wrap presents for the clients at the center. Some clients receive gifts from family, those who have no family are still assured by the community that they will have a gift on Christmas morning.

Having the Living Center is necessary. The clients are treated with respect and their safety is paramount.

Once again please consider the vital role the Abilene State Supported Living Center plays in our city and the surrounding counties.

Thank You for your time.
Patricia L. Reyes
